Australia's first retail superannuation fund to regain QROPS status*

* HMRC list dated 1 September 2016

Important info:

Member must have an Australian Tax File Number.

Cost to transfer is only \$880.

As part of the global IVCN Group we are specialists in UK Pension transfers, and now pioneers in facilitating Australia's first retail superannuation fund back on the HMRC QROPS List* post the Pension Schemes Act 2015.

AESF is a **retail** superannuation product open to anyone with an Australian Tax File Number. We have **no minimum** transfer amount. We have simple, cost effective investment choices.

We are **multi-currency!** Keep your money in GBP and take your time transferring into AUD. We **minimise** exchange rates costs and bank fees and **maximise** the return to you.

AESF as a division of Tidswell Master Superannuation Plan is registered with Her Majesty's Revenue and Customs Office [UK] as a qualifying Recognised Overseas Pension Scheme [QROPS]. You will find 'Tidswell Master Superannuation Plan' on the HMRC list under 'Australia'.
